Samir Fouad Abdel Aziz Khalaf,MD

Prof.Ob.Gyn,Al-Azhar Faculty of Medicine, Cairo-Egypt.

Theses and Publications:

1-Induction of Ovulation and Ovum Pick-Up in Inviro fertilization. Thesis submitted for partial fulfillment of the Master degree in Ob.Gyn.Al-Azhar Faculty of Medicine,1986.

2-Intrapartum Fetal Heart Monitoring in Relation to Maternal and Cord blood gases and pH. Thesis submitted for partial fulfillment of the Doctoral degree, Al-Azhar Faculty of Medicine,1991.

3-Comparative study of Two-monthly injectable contraceptives.Multi-center study. Egyptian Fertility Society,1992.

4-Role of maternal Human Lactogen, Estriol and Ultrasonography in monitoring high-risk pregnancy.Al-Azhar Medical Journal,Vol.25,1994.

5-Early cord clamping and blood viscosity and some hematological determinants in the newborn. New Egypt.J.Med.vol.11,No.1,1994.

6-A study of sample of reactive artheritis patients with special reference to Tetracycline in Chlamydia Trachomatis Cervicitis.

2nd world congress of inflammation.Sept.1995,Brighton,UK.

7-Effect of immediate postpartum curettage on the recovery of severe preeclampsia. New Egypt. J Med.vol.12,No1,1995.

8-Conception rate in Polycystic Ovary Syndrome (resistant to clomid) with different treatment modalities. New Egpt.J.Med.1995.

9-Clinical evaluation of the efficacy of antiprostaglandine in prophylaxis of adhesion following myomectomy operation.Al-Azhar Medical Journal vol.24,1995.

10-Behaviour of leiomyoma with pregnancy as evaluated by ultrasound. The scientific journal of Al-Azhar Medical Faculty (Girls),vol.17,No.2,1996.

11-Cord blood erythropoietin in relation to different markers of fetal hypoxia. The scientific Journal of Al-Azhar Medical Faculty (Girls), Vol.17, No2, 1996.

12-Serum Folate, Alpha-Tocopherol and Beta-Caroten in preinvasive and invasive cancer of the uterine cervix.

1st.International conference of Ob.Gyn Al-Azhar University.1998.

13-Intrauterine insemination versus fallopian tube sperm perfusion for treatment of infertility.

1st.International Conference of Ob.Gyn.Al-Azhar University.1998.

14-The use of Ultrasound in prediction of the fate of first trimester threatened abortion.1st.Internal conference of Ob.Gyn.Al-Azhar University.1998.

15-Anti-thyroid Auto-antibodies in recurrent abortion.

Journal of Egyptian Society of Ob.Gyn.,1999.

16-Intrauterine insemination versus intrafallopian sperm perfusion in the treatment of infertility .Egpt.J.Biomed. Science 2000

17-Cervical Intraepithelial Neoplasia (CIN II,CINIII)enhancement of progression with oral and perilesional injection of vitamin E(alpha-tocopherol). Egpt.J.Biomed. Science 2000

18-Serum level of vitamin A, E, B-carotin and Folate in cases with cervical intraepithelial neoplasia, Population science 2000.

19-Prediction of early pregnancy failure with a single progesterone level assessment combined with transvaginal ultrasound parameters. Population science 2000.

20-Procollagen III in benign gynecologic conditions and ovarian cancer. Scientific J.Al-Azhar Medical Faculty(Girls) 2002

21-Preoperative Diagnosis of ovarian cancer in patients presented with adnexal mass using the risk of malignancy index. Scientific J.Al-Azhar Medical Faculty(Girls) 2002

22-Umbilical cord blood leptin, insulin-like growth factor I, insulin-like growth factor binding protein³ and newborn birth weight in preeclampsia. Scientific J.Al-Azhar Medical Faculty(Girls) 2002

23-Comparative study of the use of CA 125, procollagenII and risk of malignancy index in diagnosis of ovarian cancer. Scientific J.Al-Azhar Medical Faculty(Girls)2003

Supervised Theses:

1-Evaluation of immediate and late post abortive IUD insertion.

2-Evaluation of the endometrium in cancer breast patients on Tamixofen Treatment.

3-Evaluation of Adenexal Mass

4-Role of Doppler Flow Ultrasound in prediction of preeclampsia

5-Ovarian auto-antibodies in poor responders cases for IVF.

6-Conservative surgery in Female genital cancer....easy for master degree 2006

7-Immunotherapy in Gynecologic Oncology.....easy for Master degree 2007

8-Comparative Study between Tranexamic Acid Infusion and Misoprostol Rectally in reducing blood loss in elective Cesarean Section

Thesis for Master degree 2014

Current Projects:

1-COMPARATIVE STUDY BETWEEN OXYTOCIN INFUSION AND MISOPROSTOL FOR INDUCTION OF LABOR IN CASES OF PREMATURE RUPTURE OF MEMBRANES AT TERM.

2-ULTRASONOGRAPHIC ASSESMENT OF LOWER UTERINE SEGMENT IN WOMEN WITH PREVIOUS CESAERIAN SECTION

3- Vaginal fluid urea, creatinine & β -HCG in the diagnosis of premature rupture of membranes

4- Comparative study of color flow Doppler velocimetry of ovarian artery in cases of polycystic ovaries before and after metformin therapy

5- **RELATIONSHIP BETWEEN MATERNAL SERUM VITAMIN D DEFICIENCY, MATERNAL SERUM CALCIUM LEVEL AND PRIMARY CAESAREAN SECTION**

6- *Assessment of Morbidity and Mortality of Cesarean Section at Helwan General Hospital During the year 2012 - 2014*

7- uric acid in first trimester as predictor for gestational diabetes mellitus

8- TransvaginalUlstrasonographicCervicometry as a Predictor for Successful Labor Induction

9- **MANUAL PLACENTAL REMOVAL VERSUS CORD TRACTION FOR PLACENTAL DELIVERY AT CAESAREAN SECTION IN CORELATION TO BLOOD LOSS**

10- Role of Transvaginal Ultrasound of endometrial thickness and Doppler of uterine artery in cases of postmeopausal bleeding

11- **SUBLINGUAL NITROGLYCERINE FOR MANAGEMENT OF RETAINED PLACENTA**
